Surfers Paradise, Queensland Australia

### **DATES**

Thursday 25 September 2014 to Sunday 28 September 2014

### **VENUE**

Hotel Grand Chancellor Surfers Paradise

## **OFFERS THE FOLLOWING BENEFITS FOR SPONSORS TO THIS EVENT**

- \*\* This conference event provides the best opportunity in this sector for 2014 to network with industry workshops, suppliers, manufacturers and allied sectors from Australia and NZ which service the industry.
- \*\* The largest gathering of businesses in this sector in 2014 from Australia and NZ, with workshops from Europe, South Africa, and USA & Canada indicating interest in attending.
- \*\* There is an industry reset taking place in both Australia and NZ, as the industry works on the future and ongoing challenges.
- \*\* A cost effective way to get to a specialised event with a focused sector over an intensive 4 day period in which the event runs
- \*\* The Conference comprises a full business and social programme throughout the event, combined with a conference supplier exhibition and a special tour of machinery equipment on the day prior to the conference commencing
- \*\* Platinum and partner sponsors will also have additional benefits included in their sponsorship packages, which you can talk to us about directly
- \*\* There are also opportunities for sponsorship for business and technical sessions during the conference as well as the conference breaks with morning and afternoon teas and lunches
- \*\* This year is also the 50th Anniversary celebration of both the NZ Engine Reconditioners Association and Engine Reconditioners Association and we also have sponsorship opportunities for this event
- \*\* 50th Anniversary for both Australia and New Zealand is a momentous occasion for those who have spent a career in this Industry
- \*\* Investment today will have future payback opportunities tomorrow as the Industry develops and grows
